YAK-9T for CFS2

An upgraded compilation of B.Duffort's Yak9T

Features:

- 4 new (very) detailed skins
- New high resolution realistic 2D panel for wide screen monitors.
- Working virtual cockpit
- Slightly modified MDL

Mr. Duffort Yak from 2002 is still the best looking YAK in the CFS2/FS2002/FS2004 world. Freeware or payware.

Install is straightforward. Some common aircraft files/folders are found in the Common AC files to keep the filesize down.
